The Daffodils

I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host of golden daffodils;
Besides the lake, beneath the trees,
Fluttering and dancing in the breeze.

Continuos as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of the bay,
Ten thousand saw I at a glance
Tossing their heads in sprightly dance.

The waves beside them danced; but they
Out-did the sparkling waves in glee:
A poet could not but be gay,
In such a jocund company:
I gazed—and gazed—but little thought
What wealth the show to me had brought.

For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye
Which is the bliss of solitude;
And then my heart with pleasure fills,
And dances with the daffodils.

In Memoriam

Anne H. Ustruck
Life is measured by fullness and not by years. The surge of time has taken Anne, our classmate and friend, when it seemed to us her task was unfinished, and life only well begun; but it is not for us to know God's plan for a complete life. We cherish the memory of Anne as she lived and smiled and played among us, and we find joy in having been touched by a life so sweet and beautiful and complete.

Early in September 1916 the rusty old school bell again called the wayward students back to the Halls of R. H. S. In response to this call came a new class of Freshmen, the class of 1920. This class consisted of exactly fifty of the brightest, most wide-awake, and above all the most dignified and studious Freshmen that ever entered the halls of any High School. This class was destined to be a winner.

Immediately on its entrance its members were to be found in every activity and society in the school. Considerable of the credit for the record we made the first year is due to Mr. L. B. Cummings who was our class patron. Our ability in the social line was demonstrated on Feb. 23, when a “Hard Times Party” was given in honor of the Sophomores.

When the class of 1920 reassembled in the fall of 1917, there was a noticeable absence of many of our former classmates. Twenty-one of the Freshmen of 1916-17 were missing and there were but seven new members.

The first task that confronted us as Sophomores was the proper reception of the incoming Freshmen. This problem was solved by a Hallowe’en Party which every one present pronounced a grand success. During this year the class made itself prominent in the school activities, being represented in all societies and clubs.

In the fall of 1918 there was again an absence of our former classmates, twelve having left during vacation while but five new members entered. The first part of this year passed rather inconspicuously for the Juniors but towards the end of the year two big events were put on by them, with the help of Miss Myrtle Cares, the Junior Carnival and the Junior Prom. Both of these were the largest and best of their kind ever seen in Ripon High School.

When the last lap of four High School courses began, seven of the class had either entered Ripon College or left school. Four new members entered the class in their place.

Some of the things which the class did and are doing are:
1. This “Tiger” is, we believe, better than any previous issue. The staff is composed entirely of Seniors.
2. The best “Spectator” in the history of the school was edited by a Senior.
3. While we as a school, did not win any honors in debating, the Seniors were well represented in this activity by Stuart Moffatt and Arthur Mueller.
4. We are well represented in musical lines in both Orchestra and Glee Clubs.
5. Several of the class are completing the High School course in three years. Others are taking extra work at the college.
6. The Class Play, “Dorothy’s Neighbors” will undoubtedly be a grand success. The Cast is made up entirely of Seniors.
7. Three of our Basketball men will be lost by Graduation.

Bernice Parker—History Prof. at Ripon High.
Evangeline Temple—Ripon's Photographer.
The 1920 class play is a youthful four-act comedy by Marie Doran.

Dorothy Lee, who is cursed with a fortune, is determined to get rid of it. She moves to the tenement district with her chum, Kitty, and becomes acquainted with John Rowley, who is studying engineering; George Fox, his chum, who is rather crazy; and Faith, Hope and Charity, young working girls. Miss Van Tassel, Dorothy's aunt, comes to live with her, and is instructed about the fine points of housekeeping by Norah Casey, the maid. Billy Van Tassel is Dorothy's cousin who is in love with Kitty, and Tim Kelley, the expressman, is Norah's young man.

Dorothy does much charity work in the slums and thru her, John Rowley's Uncle Peter dies and John is heir to a fortune. John gets suspicious about Uncle Peter, makes a search and discovers that he never existed. Then come explanations from Dorothy and Billy, who was executor, and everything ends happily for all.

ROLL CALL

The Senior Seconds, the class which will graduate next year, has all the requirements to make it a record-breaking Senior Class. Their record thus far surely prophesies great things that are to be accomplished next year by them. As this goes to press, they are planning the Junior Prom which is sure to be a success under their efficient organization.

ROLL CALL

The Senior Firsts are the largest class in the Senior High School, and as such, give great promise of what they will accomplish in the future. The Sophomore dance this year showed how the Sophs work together. They can surely be depended upon to fill their place and do their share in the activities of old Ripon High School.

ROLL CALL.

A more interesting or promising class can scarcely be found in the High School than the Ninth Grade or Junior Thirds, which is to be admitted to the Senior High School next year. The year of trials and tribulations is past so this peppy crowd feels free to devote its energy to promoting the fame of Ripon High School in the future.

ROLL CALL

A promising class is the Junior Seconds, well qualified to take upon themselves the burden which the Junior Thirds will drop at the end of the year. They have already given themselves an enviable record in class basketball for which they ought surely to be complimented. This is the kind of a class Ripon High School is proud to claim as her own.

ROLL CALL

The Ecolian has gained a firm foothold in our school and is constantly increasing in quantity and quality. It has done much to further an appreciation of literature. There have been many interesting and instructive meetings the success of which is largely due to Miss Strathearn. The members from the Class of '20 wish great success to the Ecolian in the year to follow.

2nd Semester—President, Carter Nason; Vice President, Wilber Perry; Treasurer, Clarence Hammen; Secretary, Eugene Schneider.

ROLL CALL

The members of the Athenaeum have taken an enthusiastic interest in their work this year and have given some very good programs. This club has been one of the worthwhile activities of the school and with Mr. Bonar back at the wheel next year we shall expect great things of them. Every boy in Senior High should plan to join the Athenaeum to get as many years of this training as possible.
The Triangle

ROLL CALL

The Triangle was reorganized this year under the able direction of Mrs. Clarkson and Miss Strathearn. About thirty succeeded in passing the try-out at the beginning of the year. One play was presented on April 1st, which succeeded in obtaining favorable comment from the public, "Engaged by Wednesday", a three act comedy. The proceeds were given to the Athletic Association. The eleven members lost by graduation wish success to the organization, hoping it may accomplish greater things by another year.
The Clio is an organization in which both boys and girls enjoy the study of history. The work was taken up at the beginning of the year by our social science and history teacher, Mr. Bonar. There are fifty members which is the maximum membership. The aim of the Club is to cultivate a greater appreciation for history as a social science and to promote the phases which most affect the development of our nation.

The work of the Club has been very satisfactory during the year and the members have shown great enthusiasm towards their work. May the Clio continue to uphold its good reputation as a school organization.
Debating

For several years Ripon has not taken part in interscholastic debating but this year a number of the students showed some interest and two teams were formed. The school was entered in the state league and a triangular debate was arranged between Errol and Beaver Dam. Both of these schools forfeited the debates and Ripon entered the district triangular debate with Shawano and Waupaca.

The question debated was "Resolved that the Principle of the Open Shop should be maintained in Industry."

While our Teams were defeated in both engagements this year debating has been a huge success. The boys did very well and they, as well as Mr. Bonar, deserve a great deal of credit for their work. Their defeat was due to meeting experienced debaters on their first trip out and not to any lack of interest or ability on their part.

ROLL CALL

"The Witch of Fairy-dell," a three act operaetta was given in the early part of December and succeeded in gaining much recognition from the public. Besides giving the operaetta the Club has appeared before the Parent Teachers Association and before the assembly. The Club is one of the most flourishing organizations in Ripon High School.
The Boys' Glee Club proved well what they were capable of at their Minstrel Show. Our chief regret is that they didn't give us another operetta this year. The boys made several public appearances during the year at General Assemblies and at meetings of the Parent Teacher's Association. Much of the credit for the success of the Glee Club must be given to Miss Page who has been director for two years.
Junior Girls' Glee Club

OFFICERS

President..................................................Katherine Reed
Vice-President...........................................Katheryne Lyle
Secretary-Treasurer.......................................Marion Little

ROLL CALL

Altho the Junior Glee Club has not presented any special feature this year, it is not from lack of talent. They have appeared before the assembly and at some of the Parent Teachers Meetings. They have gained a high reputation in the school for their cooperation with their directress, Miss Page.
Orchestra

Tony Riant, Miss Silver, Arthur Steinbring, Frank Scobie, Gilbert Witt.

That there is much musical talent in the school is shown by the large number
of members in the Orchestra. Those who have attended the Parent Teachers
Meetings know that the members are interested in their work and constantly striving
for better results. Miss Page is an able leader and is largely responsible for the
success of this organization.

In producing "The Spectator" this year we have tried to give you a paper superior in all respects to any "Spectator" ever before published.

Our Staff consisted of students from the upper four classes and all have tried to serve you in the best manner possible. We hope we have given you the best "Spectator" ever produced in that we have tried to eliminate unworthy material. We tried to make it a standard up to the minute paper.

"The Spectator" this year was undoubtedly the "pepiest" "Spectator" ever before published. We hope you are all proud of the paper as we are of being it's staff.

Our success depended upon your cooperation and we wish to express to you our sincere thanks and appreciation for what you did. Continue to take interest in "The Spectator" and it will soon be one of the best high school papers in Wisconsin.

Ripon High School had one of the most successful basketball seasons in the history, although we admit six games lost, we acknowledge but one decisive defeat and that at the hands of Neenah. Still we are safe in saying that it was the hour and not the team which caused our defeat, as this game was played after midnight. Although the Orange and Black quintet did not place in the Oshkosh Normal Tournament, they succeeded in holding Appleton down to a very low score, and proved to the spectators that we had a team, which could uphold Ripon's past record.

The most important event of the season was the Ripon College Tournament. We are proud to say that the Orange and Black secured second place, and that two of our men were placed on the All-Tournament Team. Ladwig received the captaincy and center position, while Little received a position as forward.

With Ladwig at the head of next year's team, there is no reason why the Orange and Black should not be able to secure first place in the Sectional Tournament, as Little and Gray will be back to aid "Lenny" in the offensive.
Coach Slotten has won the esteem of the whole student body, through his cheerfulness and happy disposition. He spared neither time nor means in trying to make the most of his material, both in training and coaching. He was always willing to do his part, and treat the fellows in the best way possible.

Cecil Krebs, Captain, Guard, Senior.
Age 18 years, 146 lbs., 5 feet 9 inches. Krebs has only played two years and we are sorry that we have to lose him by graduation. Krebs was a very consistent player and kept many an opponent from scoring. Although Cecil was unable to play the first part of the season on account of sickness, he came back the second semester and proved to us that he hadn't lost any of his old fighting spirit. Kreb's loss will be sadly felt by the remaining players.
Leonard Ladwig, Capt.-Elect, Center, Junior, age 18 years, 165 lbs., 5 feet 10 1/2 inches. Ladwig's absence during the first semester was keenly felt by the other players. However, we are glad that he was able to play in the most important games of the season, and helped in bringing home some victories for Ripon. Leonard's aggressiveness and accurate shooting combined with his excellent pivoting made him one of the best centers that has ever played with the Orange and Black. Ladwig was given the captaincy and center position in the Ripon College all-tournament, and was classed as the best player upon the floor. We are glad to say that Ladwig is to lead next year's team.

Paul Little, Forward, Junior, age 16 years, 155 lbs., 5 feet 7 inches. Little has played a very good game of basketball throughout the season. His fast floor work combined with his accurate passing and shooting made him one to be feared by all opposing teams. Little received the position of forward on the Ripon all-tournament team, and was classed as the fastest man upon the floor. We are glad that Paul will be back next year, as we expect still greater things of him.
Albert Berndt, Guard, Senior, age 18 years, 183 lbs., 5 feet 11 inches. This was Albert's second year of basketball, and we are sorry that we have to lose him by graduation. His size and weight made him one of the fears of many opposing forwards. Berndt is alert at all times and is a guard who can stick to his man. His loss through graduation will be felt by all.

Robert Gray, Forward, Junior, age 17 years. Weight 140 lbs., 5 feet 7 1/2 inches. Bob was a very consistent player, and made a very good teammate for Ladwig and Little. His ability to cage the ball helped in winning many a game. Although "Bob" was the lightest man on the team, he proved to be one of the main scoring cogs. We're glad we'll have Bob back next year.
Arthur Mueller, Guard, Senior, age 19 years, 173 lbs., 6 feet. This was "Art's" second year of basketball. His size and weight made him a good guard, and helped in breaking up many opponents plays. Besides playing a good guard game "Art" often came down the floor and helped in building up the score. His loss will be noticed by all, as he always showed good fighting spirit.

Hubert Kunde, Forward, Freshman, age 19 years, 143 lbs., 5 feet 7 inches. Although this was Kunde's first year of basketball, he proved himself a man worthy of his letter. We are sorry that he will be unable to play next year because he would be fine material for next year's team.

Other men who deserve honorable mention are Fehlandt, O'Dell, Corliss and Williams. We are glad that there are such men as Fehlandt and O'Dell to take the places of Krebs and Berndt.
A very successful and interesting class tournament was conducted by Coach Slotten. The above picture shows the undefeated Juniors, as they appear before a battle, and some of the medals won and otherwise obtained.
The Tiger is a funny thing
The school gets all the fame
The printer gets the money
And the staff gets all the blame.

After much picture taking, many searches for material, and earnest attempts to please everyone, the Tiger is in the hands of the subscribers.

We, the Staff, wish to thank all the school organizations, classes, faculty, advertisers, and all other subscribers for their help in the completion of this book.

As you read this annual, remember that we are only human and may have made mistakes in judging what you expect from us, but your appreciation of our effort to make this book record truthfully the spirit and activities of Ripon High School, is the fullest reward we ask.
EXT YEAR the class of '21 will fill the Senior's place and more than fill the Senior rows next to the east walls of the Auditorium. Throughout their three years in High School, the members of this class have been leaders in activities and school work. While we of the class of '20 feel that we have made an enviable and heretofore unequalled record in High School, nothing would please us more than to see the class of '21 make a higher score than we have.

Oratory and Declamation

April 16, tryouts were held in the Ripon High School Auditorium, to choose representatives for the district contest at Oakfield. Six girls tried out. First honors went to Evelyn Hunter and second honors to Anna Klein. The winner at Oakfield will go to Oshkosh in two weeks.

At the time of writing, the local Oratorical contest has not been held, but as there are only two contestants, Arthur Mueller and Karl Kaschube, both of these go to Oakfield.

There is good material out and the prospects are good for bringing home the honors.

And smoked it to the rine (Butt)
Then the fun began
His head commenced to spin
(And he arrived home with the aid of someone else.)

The Falling In
He fell into those wells—her eyes
Then clambered out like one in Seine
Yet tho to so escape he tries
Her lashes drive him in again.
Last nite I held a little hand
So dainty and so neat
Methot my heart would burst
So widely did it beat.

No other hand into my soul
Could greater solace bring
Than that I held last nite
Which was 4 aces and a king.

Would'st know the saddest of sad things?
'Tis to come to school on Monday morn
To find that we'll have Chorus
A notice doth the bulletin board adorn

It is to leave the lessons all alone
To get them in study hour, if one there be
And then to find that notice on the board
Chorus today—9:00 to 10:00
That is the saddest of all sad things to me.

They drive away sadness, bring comfort and cheer.
Flowers are the inspiration to-day
