DEDICATION

To Mr. Banville we dedicate our 1937 Tiger. We find it difficult to fittingly express our appreciation for all that he has done for Ripon High School. During the 14 years that Mr. Banville has been with us, he has been ever ready to advance any undertaking which has been for our good. He has forwarded Boy Scouts, athletics, social and financial movements. To you, Mr. Banville, we extend our sincere gratitude and our deepest wish is that you may long remain with Ripon High School.
The Orange and the Black

Let us sing to praise dear Ripon
And homage to proclaim;
Let us struggle for her glory
And her honor be our aim;
So that our dear Alma Mater
A champion does not lack;
We arise as brave defenders
Of the Orange and the Black.

Though we win or lose in battle
For Ripon High School's fame;
We will ever still remember
The spirit of the game;
We extend to our bold rivals
The hand which dealt them woe,
Which contention make opponents
But which friendship calls no foe.

Though we conquer or are vanquished,
Yet honor is our guide;
Lift the banner of the righteous
To the end with us abide;
Then shall we achieve in glory,
And of duty show no lack;
We shall always win for Ripon
And the Orange and the Black.

Homecoming

Homecoming was a new word at Ripon High School in 1936. With the Tiger football team enjoying immense success on the gridiron last fall, the inspiration for the first celebration in many years sprouted up and became a reality on Nov. 1 and 2 when the big event was held, with Ripon's arch rivals from Berlin furnishing the opposition. The Homecoming celebration was a rousing success from start to finish.

With a huge band of students marching down through the local “main street,” with torches blazing, with shouts, cheers, and excitement, the 1936 Homecoming opened its program on Friday night. A decrepit "Model T" shone forth with a "Bust Berlin" command blazoned on its sides. A huge dinner bell clanged out with ear-splitting violence. The winding procession, completely "on fire," tramped down to the square—threw in the torches—and a spontaneous bonfire licked and crackled skyward. Cheers, speeches, clangs, and noise roared forth from every side. Coach Hettinger—"with this pep...my boys...should "Bust Berlin."

Saturday afternoon found Ripon romping all over Berlin to the tune of 39 to 7 and adding additional spirit to the celebration. The Ripon lads played inspired ball and gave their arch rivals the worst beating in both schools' history: "They did their part."

The Juniors climaxed the Homecoming celebration by sponsoring the annual Homecoming Dance to a huge crowd gathered in the heavily decorated gymnasium and the Ripon High School student retired on Saturday night with memories of one of the pleasantest happenings of the 1936-7 school year.
1937 Popularity Contest

The Kings and Queens of Personality in Ripon High School during the past school year were chosen by popular election, and the following is a result of the balloting.

Students seem to cater to likeable Tom Helgeson in a landslide manner (277). Versatile Tom’s closest opponents were Bob Bland (75) and Clyde Lynch (63).

Her first year here, Dorothy Putnam struck everyone as popular (175) and Annelle Moore (126) was a slight leader over Marilyn Fortnum (106). “Dot” also walked off with the Wittiest Girl honors (152) with Marion Mathwig second (137) and Kate Benkoski close behind “Pee-wee” with 128.

Male handsome wreaths go to Dan Schultz (193) with Melvin Nitz second in the Apollo section (144), and Prom King Lynch third (77).

Gorgeous girls in Ripon High School were chosen as Alice Lutke (196), beauty No. 2 was Winifred Schultz (126), and Jane Johnson third with (82).

Our hero of the field and gymnasium was unanimously selected as Tom Helgeson, when he walked off with Best Boy Athlete honors with 295 votes. Melvin Nitz (62) and Walter Wallschlaeger (53) were his pacemakers.

Katherine Welch became the Best Girl Athlete (171) with Everdine Fox also active (134) and lithe Marion Mathwig third with 91 votes.

Quick-witted Orville Splitt was so funny 167 thought he deserved Wittiest Boy honors, while Don Ryerson (129) punned his way into second place and Nathan Lawless (106) was funnyman number three.

The men of actions, not words at Ripon High include the ever peaceful Jacob Lietz (230) with Carl Gatzke (133) and Herman Leitz (66) also giving no back talk to the teachers.

The Quietest Girl is Bernice Parfitt (203), tho Inex Hammen (117), and Charleen Krueger (70) evidently also need nerve tonic.

218 students thought Stevens Mijatovitch was loud enough for the school, while the peppy Stevens was paced by Orville Splitt (116) and Donald Pratt (86).

The racket-making female honors went to Jane Allen (195) and closely behind her came noise making Katherine Benkowski (158) with our Dorothy Putnam last (58).
Shades of Barnum startled the eyes of the onlooker when showmen teacher and student alike transformed the studious corridors of Ripon High School into a rollicking carnival midway for the annual Athletic Carnival, held on April 2-3, 1937. Gaily bedecked signs spoke of the "Greatest Show on Earth," and everyone forgot his troubles while cavorting about the noisy, confetti-drenched halls. Movies, plays, a style show, dancing, boxing and wrestling, etc., gaily unfolded before our eyes in the happy two-day stand, and the tired Ripon High student left the financially-successful carnival on Saturday night with memories of a glorious time.

---

Meet new friend has 100,000 new lines in it.
The growth in interest and activity in instrumental music made necessary the organization of two bands in September, 1936. Under the direction of the new bandmaster, Harold S. Dyer, a system of rehearsals on class schedule was inaugurated. That this plan has succeeded in raising the standard of playing of the young musicians is evident from the fact that in the district festival held at Oshkosh on May 8, the Ripon band contested in Class B, two divisions higher than last year. Soloists and ensembles numbering upwards of thirty students competed creditably on May 1. The drive for new uniforms sponsored by the Band Mothers is able to report substantial progress and it is the aim of everyone to see the Tigers decked out in their new regalia by the spring of 1938.

Senior High School Mixed Chorus

The High School Mixed Chorus, directed by Miss Luella Erbe, marked the year’s activities by its participation in the Spring Music Festival on April 28. The music department of Ripon College affords the students of Ripon High School an unusual opportunity for broadening their musical learning. To increase the knowledge of choral singing, the High School Mixed Chorus joined the Ripon College Choir in singing five numbers at the Spring Festival. Miss Erbe conducted the massed chorus in “Lullaby” by Clokey, and the “Battle of Jericho.” Mr. Chamberlain conducted “Swing Low Sweet Chariot,” “Go Down Moses,” and “America.”
Senior High School Girls’ Chorus

All Senior High School girls are eligible to join this musical organization which meets twice each week for a half hour period. Under the direction of Miss Luella Erbe the group participated in its first radio broadcast on the Ripon Hour Dec. 17, over station WIBU at Portage. At the Christmas program in the high school assembly, the junior and senior girls sang a cantata "The Wondrous Story," by Richard Kountz. On April 28, at the Spring Music Festival, this group became part of a 325 voice chorus to sing the cantata "Rip Van Wikle" by Ira B. Wilson. Thirty-four girls were picked from this group to represent Ripon High School at the district music tournament to be held in Oshkosh.
Junior High School Girls’ Chorus

The members of the Junior High School Girls’ Chorus rehearse in half hour periods twice each week. At the Christmas program, the Junior Chorus united with the Senior Chorus in singing “The Wondrous Story,” a cantata by Richard Kountz.

The all-school Spring Music Festival marked another public appearance of the chorus when they sang “Rip Van Winkle,” a cantata by Ira B. Wilson. The Chorus is directed by Miss Luella Erbe.

This year forensics continued to progress at Ripon High School. The team was sent to compete in the Little Ten Conference, held Mar. 12, where they participated in the district debate tournament. The Riponites were victorious in two of the six contests. The affirmative defeated Berlin and the negative Wau- pun. Jan. 30, Ripon's debaters went to Appleton where they competed in the district debate tournament. There they were defeated in four contests as at Horicon. This was the second and last venture of the debate team.

An equally great amount of interest was shown in other forensic work: extemporaneous speaking, extemporaneous reading, and declamation. Thirty-six students tried out for these forensic activities. In the local forensic contests, held Mar. 22 and 23, two students in each division were chosen to compose the Ripon High School interscholastic and 22 two students in each division were chosen to participate in the district tournament. Extemporaneous speaking and Mary Miller won first place in humorous declamation. Doris Ann Russell won second in humorous declamation, and Loretta Grahn won second in serious declamation. Bob Bland won first in extemporaneous speaking, Ed Andrews won first in humorous declamation, and Lucelia Cerahan won second in both.

In the sub-district tournament held at Wau- pun the Little Ten team was victorious in two of the six contests. The Riponites were victorious in two of the six contests. The teams were Bob Bland and Mary Miller in extemporaneous speaking, Bob Bland and Loretta Grahn in humorous declamation, and Mary Miller and Doris Ann Russell in serious declamation. Tom Helgeson

Popular Tommy rode on the crest of the Tiger championship this year and closed his career as one of the best backfield men to play at Ripon. His expert engineering of plays, steady ball carrying and morale bolstered the Orange to the extent of being the key man on the squad.

Melvin Nitz

The hardy "Slugger" plowed the Little Ten gridirons this year and battered down enemy attacks to make himself another invaluable asset to the Ripon co-champs of 1936. He is a senior and the dependable Melvie will be missed.

Lorand Schultz

Speeding in and out like a demon and bowling over his opponents like tenpins this unsung hero enriched the guard position at his last year here so that Ripon will go a long way before they find another spark-plug like Lorand clearing the way for the interference and batting every defensive inch. His shoes will be hard to fill.

Clarence Lukoski

"Luke" held down his tackle position in his last year in enviable style. His steady plugging and dependability made him another one of the line's unsung heroes. Coach Hettinger will look far for another "Luke."

Jack Goszinske

Another headache to Hett was the other end post, but along came Jack and solved his problem when he stepped from the ranks to play the regular post and play it well. Another junior— with great expectations for next year.
Carl Gatzke
The swift round end runs of Junior Carl Gatzke and his beautiful blocking made this lad one of the highest scoring backs in the Little Ten this year. His touchdowns speak for himself—a scintillating star in every sense. Great going, Carl—give us more next year!

Kenneth Peters
A port in a storm was “Ken’s” blocking half position this year and another junior came through in an encouraging fashion for the champs of ’36. His position was one of effort and lot of glory. He should be at a peak next year.

Victor Schultz
Potentialities came out at their best this year in junior “Vic” and the wiry brother of Lorand was another “Tops” in the Orange lineup with great possibilities in line for 1937.

Clyde Lynch
The biggest gap Hett had to fill this year became a snap when “Scrump” showed his steel in a surprising exhibition of pass-snatching and stellar defensive work. He played great ball this year—but watch him next.

John Bumby, Manager
FOOTBALL

Football success at Ripon High School soared to its greatest height in the fall of 1936 when the powerful Orange and Black swept down 8 opponents to merge undefeated and untied and co-champions of the Little Ten Conference. The Tigers amassed a total of 189 points to opponents 19 and achieved the highest honor any grid team ever reached in the history of Ripon High School. The outcome of the season was doubtful at the beginning, but Herculean efforts by boys and by Coach Hettinger alike steered the Tiger team into a championship pace that was never challenged.

Ripon 7, Watertown 0, at Watertown

Seemingly resenting promises of a dreary year, Ripon’s Tigers exploded at Watertown and opened their season by outclassing the strong southern eleven, 7 to 0. Captain Tom Helgeson’s sprint around end in the second quarter to score gave the Orange and Black enough margin to trim the Watertowners for the first time in either school’s history. Ripon’s glowing work here drove away all mists of a dull season.

Ripon 33, Oconomowoc 6, at Ripon

The Ripon eleven amazingly opened their 1936 conference grid campaign by showering touchdowns all over Ingalls field when they flooded a resistless Cooney team into a humble submission, 33 to 6. Tom Helgeson raced off tackle on Ripon’s first play for 43 yards and a touchdown and the Tigers were never headed. On the next kickoff, Ripon got the ball on the 39, and romped over in two plays. The muddled Cooney eleven fumbled, and Helgeson tore over standing up. The Orange regulars played but 5 minutes in the second half, when they annexed two more touchdowns to their huge total. Carl Gatzke spectacularly ran the half kickoff back for 90 yards and a touchdown, after which Helgeson rammed over the line for Ripon’s 5th and last marker. Oconomowoc’s lone score came on a long pass late in the tilt, against the Ripon reserves.

Ripon 31, Portage 0, at Portage

The now powerful Orange journeyed to Portage for a non-conference game, and the strong southern lads were the heavy favorites over the dark-house Ripon eleven. But before the evening was over, the Tigers had definitely established themselves as the masters, and the Tiger machine mashed the Portagers after a slow start, 31 to 0. Gatzke started the colorful parade by dashing seven yards for a touchdown. Then the Riponites began to push their opponents all over the field—Helgeson skipped 14 yards after a long drive—Carl Gatzke masterfully plowed over for another—then it was Tom’s turn again, the stocky quarterback going 15 yards to score. Gatzke climaxed the Ripon scoring by a long end run preceded by excellent blocking. The Riponites had put on a wonderful show, and the offensive work, along with the defensive work, could easily be called brilliant.

Ripon 7, Beaver Dam 0, at Beaver Dam

The climbing Tigers had to battle Beaver morale, as well as skill, and the scintillating Ripon eleven put on a Herculean show of defense when they eked out a close, brilliant game over the Beaver Dam gridders on the Beaver gridiron in a night game. The game was a defensive punting duel, and the toe of Melvin Nitz and the air-tight work of Ripon’s great line kept the Green far from the goal all the time. Ripon’s lone score came in the second period when Gatzke, cut off tackle for 16 yards and a score. The heralded Beaver offense never got within the 38 yard line when the errorless Ripon line kept the Green suppressed while Nitz’s long punts kept Beaver Dam far back. Ripon’s greats of ’37 had earned their hardest victory of the season, and the undefeated Tigers were on their way to a conference championship.

Ripon 25, Columbus 6, at Columbus

Ripon cut loose with another symphony of touchdowns when the Tigers swamped the defenseless Red of Columbus on a gray afternoon, 25 to 6. The Columbus eleven started strong, marching the ball to the Ripon 25 yard line before their only attack was stemmed. The famous story of ’36 was duplicated then, the Orange parading 75 yards in six plays for touchdown No. 1. Again and again the Ripon squad marched for long gains, Gatzke scoring twice more. On his
last run, Ripon's star back skirted 32 yards in brilliant side-stepping to score. With the Tigers far in front, Tom Helgeson ended the Orange spree after a long march, when he rammed over from the 5-yard line. Columbus' only score came on the interception of a reserve Ripon pass.

Ripon 31, Hartford 0, at Hartford

With brainy Tom Helgeson on the sidelines, the Ripon team had a real battle on their hands at Hartford in the first half, when the Land-o-Lakes lads held the Tiger machine to a single touchdown—Gatzke's 19 yard dash—in the first half. But in came Helgeson to bolster the Orange eleven, and Ripon started to click, and the oft-told story of a runaway was again repeated. Engineer Tom steered the Ripon eleven to two scoring positions, and the Orange chalked up two more touchdowns. With Ripon's wonderful defensive work clicking strongly, the desperate Hartforders took to the air, and the supposedly shaky and untried Tiger pass defense was to receive its big test. Like the rest of the Ripon machine, Ripon's pass defense proved brilliant. The alert Tigers scored twice when Anderson snatch- ed a long Hartford pass and sped 84 yards to score, and when Peters cut loose 46 yards after another interception. The Ripon team was still undefeated and untied, with two home games remaining.

Ripon 14, Waupun 0, at Ripon

A chilly autumn setting greeted the Tigers on their first home game in five weeks, and the Orange trimmed Waupun, 14 to 0, in a hard fought battle on Ingalls field. The super Tiger offensive machine started immediately, Carl Gatzke racing 15 yards to score 2 minutes after the game started. The second Ripon score came midway in the second period, when Helgeson's pass to Lynch placed the Tigers in a scoring position. Tom plowed over to score the last Ripon marker. The doughty Waupun team came back to fight the Orange "even-up" in the last half, and the undaunted Prison Citiers nearly produced an upset. The Waupuners paraded from their own 20 yard line to the Ripon 3 before the Tigers were able to stop them. The Ripon lads outgained the Waupuners—12 first downs to 5—in their second closest scrap of the year.

Ripon 39, Berlin 7 (Homecoming) at Ripon

Ripon's first homecoming in years became a howling success when the Tigers gleefully pound- ed their arch-rivals from Berlin in the final game, 39 to 7. The Tigers kicked off and swept into the Red and Green with fervor—Helgeson ploughed over—Gatzke skirted right end to score—and the Tigers were on their way! Jack Goszinske snagged a 29 yard pass and stepped over the line. After a long drive, Melvin Nitz plunged over from the one yard line. Accurate Tom Helgeson flung the ball to end Lynch for Ripon's fifth touchdown. Ripon's regular eleven, playing their last full game, climaxied the monstrous scoring spree when Nitz scored after a long march. In the tail-end seconds Berlin's lone score came on a trick play—Heft going 91 yards to score. As the undefeated and untied Ripon football team walked off the field a soft snow began to fall, seemingly laying a blanket on the most glorious year Ripon has enjoyed on the gridiron.

Captain Tom Helgeson

Versatile Tom captained his last cage team at Ripon High School and the Tigers' stocky star played brilliant basketball all through the year at his forward position. When Ripon hit the doldrums, dauntless Tommy was always prepared to pull his teammates out of the rut. He boasts an enviable scoring record for his final year, and his defensive work was of a beautiful nature. Captain Tom was probably one of the best "fakers" and ball handlers ever to play in the Little Ten Conference. All in all, Coach Hettinger is going to go long and far before he finds another Tom Helgeson in athletics.

Clarence Lukoski

Another senior, "Luke" topped off his third year on the basketball team with a sterling exhibition of guard duties that netted him all-tournament team honors at the close of the year. Clarence had an almost errorless eye on his long shots, and his accuracy meant a lot to Ripon in the past year. His ball-handling was excellent, his passing meant a great deal to the "clicking" of Ripon plays. Another senior will be missed in future R.H.S. athletic teams.

Melvin Nitz

Husky Melvin Nitz fulfilled center position duties in 1937, and "Slugger" also closed his high school career at Ripon this year with a season which he can look back upon and call well played. His defensive work was his specialty, and whenever Ripon met with tough opponents, Melvin was always riding his opponents in an almost air-tight fashion. Another versatile athlete Melvin Nitz will be missed next year.

Lorand Schultz

Speedy Lorand played most of the season at guard, and the swift little cager was an asset to Ripon in the 1937 basketball season. His abilities were most appreciated on the large Ripon college floor, where his speedy breaking kept opponents groggy many a time. "Lornie" was also a good set shot artist and the Lorand Schultz of Ripon High School athletic fame has closed his career, and another tough job to find a successor begins.

Walter Wallschlaeger

Ripon's "Washy" played beautiful basketball the past year, and the heavy set junior's fighting game around the basket and superior eye gave him high point honors for Ripon's cage outfit with 91 points. "Washy"s defensive and offensive work was one of Ripon's standbys this year, and the Tigers' only recruit for next year promises to turn in a sterling performance in his next and last year.

Carl Gatzke

Another junior, Carlie didn't get his chance until late in the year, but Ripon's doughty little football star starred on the basketball court with his team spirit and indomitable courage. Carl will be back to brace Ripon's chances next year.
Farrell Anderson

Another senior athlete, Farrell closed his career at Ripon with a successful job doing mostly reserve work on the Tiger basketball team of 1937. "Andy's" adeptness to fill any position made him an asset to Hett's basketball team. Farrell's work will be missed next year.

Frederick Jess

One of Ripon's unsung heroes—"Shag"—played his last year as a reserve. Any future hopeful can take a lesson from the perseverance of Fred Jess. His consistent plugging, his dependable service, and his dauntless effort for the better, were some of the characteristics in his possession that are most important in holding a team together.

Donald Ryerson

Small, compact, and brilliant "Donnie" will be one of next year's mainstays, for Ripon's speedy little guard should develop into one of the best men in the conference. His almost uncanny accuracy on long shots and his alertness makes next year look bright for Junior "Donnie" Ryerson.

Clyde Lynch

"Scrumpy" should fill the center position next year and fill it well. His reserve work this year points to great promise for next year. Ripon's handsome Lynch has a good eye and can carry defensive ordeals well. Next year, Clyde!

Robert Simmons

Ripon's only sophomore cager, lanky 6 foot 2, Bob Simmons promises to be a terror on the Little Ten courts in the future. His huge hands and long legs mean much on a basketball floor, and Coach Hettinger can place trust in the lank and lean Simmons. His exceptional reserve work this year has given him experience, so watch him next year.

William Smith, Manager
Ripon 25, North Fond du Lac 18, at Ripon

Ripon's 1936-37 basketball season opened successfully on the Ripon college court when Coach Hettinger's boys gathered up their two weeks' experience to down North Fond du Lac High in a non-conference tilt, 25-18. The Tigers led all the way and were never in danger. Melvin Nitz was high for Ripon with 8 points. The basketball outlook suddenly became bright at Ripon High School.

Ripon 22, Columbus 11, at Ripon

Striding in mid-season form, the Tigers rolled over Columbus at the local gym in a sparkling fashion to open the conference race. The steady Ripon five held the Red in check for three quarters before the Colombites were able to squeeze an 11-point spree from the Orange reserves late in the last period. Hefty Wallschlaeger made his promise to be a terror on the court when he collected 11 points to take high point honors.

Ripon 26, West Bend 21, at West Bend

The improving Tigers had a real battle on their hands at West Bend, and nothing but a timely spree from Wallschlaeger in the last quarter saved the Orange from defeat. The Benders trailed the Ripon cagers by one point at half and at the end of the third period, and threatened to eclipse the Tigers in the final stanza. "Washy" turned in a scintillating performance, making 16 points. The Ripon defensive work was working perfectly in preparation for the battle with our co-champs, Hartford, on the following week.

Ripon 32, Hartford 16, at Hartford

Uncorking a scathing offensive display, the Ripon basketeers went to Hartford and ran away from the Land o' Lakes boys, 32 to 16. Hartford started out strong, but the Orange clamped down and held their opponents to a mere 3 points per quarter. Tom Helgeson's shining offensive faking and dribbling, and his stellar defensive work made him the star of this contest. Dead-eye "Washy" was high point man for Ripon with 10 points.

Ripon 25, Waupun 23, at Waupun

The Tigers barely overcame Waupun in a fiercely fought thriller at Waupun, 25 to 23, and placed themselves as a major contender for the Little Ten crown. The Ripon lads pounded the dead baskets of the cracker-box gym for a big second quarter that was enough to trim the Prison City boys. The rough fray had 27 fouls called, and somewhat of free throw inaccuracy marred the tilt. Anderson and Helgeson were high point men with six points each.

Ripon 26, Beaver Dam 32, at Ripon

The classic of the Little Ten became a tragedy for the Tigers when the state champion Beavers roared over the Riponites in the spacious college gym in one of the most beautiful games imaginable. The superb ball handling of the well-coached Beavers was brilliant, and despite the loss, the Orange played their best ball of the year. The Ripon lads were threatening continually, but the supremacy of the cool Green cagers proved Tiger nemesis No. 1. Again, Wallschlaeger was high man with 11 points, and accurate Linde of Beaver Dam also netted 11 points.

Ripon 22, Berlin 24, at Berlin

The beaten Tigers became a crumbling five when the fighting Berlin team eked out an overtime win over the listless Orange, 24 to 22. The Ripon team seemed lifeless after the Beaver Dam tilt, and the last minute shot by Lesniak in the overtime period gave our arch rivals the victory. Ripon trailed at the half, 14 to 12. Heft of Berlin was high for the winners with 12 points.

Ripon 24, Columbus 17, at Columbus

The slumbering Tigers awoke slightly to overcome the weak Columbus quint in a dull fray, 24 to 17. The Orange led all the way, and their substantial lead was never threatened. The wide awake game of stocky Tom Helgeson again made him the star when he annexed 12 points to lead the Ripon five to their fifth conference win.
Ripon 23, West Bend 17, at Ripon

The saving grace of brilliant Tom Helgeson again saved the Tigers face when the slippery forward led his team mates to victory over the tense West Bend quint, 23 to 17. The Ripon team had improved slightly, but was nowhere near the pre-Beaver Dam form. Melvin Nitz' strong defensive work in this game was commendable. Tom was high for Ripon with 10 points.

Ripon 35, Hartford 27, at Ripon

The Ripon five played happier ball against the improved Hartford quint, and the Tigers overcame the battling Hartforites to keep their second position berth in the Little Ten race. The sparkling play of Tom Helgeson was again the Ripon highlight, and the spunky work of the outweighed Hartford team was superb. Helgeson was high for Ripon with 9 points.

Ripon 22, Waupun 23, at Ripon

The Tigers were the victims of a strenuous Waupun rally in the closing minutes of the Waupun-Ripon game, and Hett's lads were out of the conference race when the Prison Citiers trimmed them 22 to 23. The disheartening Waupun big quarter was the second, when they cut loose with 11 points. Wallschlaeger was high for Ripon with 11 points.

Ripon 9, Beaver Dam 31, at Beaver Dam

The masterful Beavers heaped insult on injury when they swamped the weaker Tigers in a barrage of baskets, 31 to 9. The errorless Green defense was seemingly impenetrable and the Orange failed to do what every team in the Little Ten and state longed to do—beat Beaver Dam.

Ripon 23, Berlin 28, at Ripon

The Tigers struck a discouraging last-game note when they were halted by their arch rivals, 28 to 23. The Tigers led at the half, 11 to 10, but the Berliners tossed in basket after basket when the Orange defense crumbled in the third period. A huge crowd packed the college gym to see the two quint battle it out.

HORICON TOURNAMENT

Ripon played bright ball throughout the tournament, but defeats from strong Horicon and Mayville spelled the Tigers' expulsion and the Riponites closed their season by ending the same in the tournament as they did in the conference race—fourth place.

The Riponites opened the wars at Horicon by overcoming Waupun in a defensive battle, 18 to 10. The startling defensive work of Ripon held the Black and Gold to a mere one basket in the game. Ripon battled the strong Mayville quint in the second game, but the Orange defense crumbling in the final period to cost Ripon the game, 22 to 11. The eleven point spree by substitute Endrele in the last quarter was the Orange nemesis.

Ripon's 1936-37 cage team closed the lid by playing threatening ball until the home Horicon team eked out a win in a nicely fought game, 26-21. Tom Helgeson, Clarence Lukoski, Melvin Nitz, Lorand Schultz, Farrell Anderson, and Fred Jess had closed their careers at Ripon High school in basketball. All had seen bright and dull seasons. It will be a hard job to fill these seniors' shoes.

WE DEFEAT COLUMBUS!
Spring Sports

Boxing

Pugilism was Coach Hettinger’s answer to the annual spring lull between basketball and baseball, and Ripon’s short boxing season was a success, despite the pair of losses the Tigers suffered. When the first call was sounded for boxers, about 40 boys reported for the Orange first fisticuffs squad. A much too short training period preceded the bouts with Berlin and Wauupn, which the Tigers dropped to their arch opponents by close margins. The Waupuners won from the Riponites, 8 to 6. One week later the Berlin boxers nipped the Tigers 8½ to 7½. The remarkable showing of Ripon’s boxing team promises to great future in the sport at Ripon, and Coach Hettinger expects to cultivate it with more extensive training and more matches. We all expect a great boxing future at Ripon High School.

Baseball

Ripon High School’s 1937 baseball team has, thus far, embarked upon a successful baseball season and from all indications, the Tiger nine should finish up the season in a winning manner. Ripon’s one pre-season game at Redgranite, on Tuesday, April 27, was rather disastrous, as the Tigers erred themselves into an 8 to 5 loss. But the Orange polished themselves off to outplay Beaver Dam at Ripon on Monday, May 3, by a 3 to 2 count and give themselves their first conference victory. The Tigers have quite an extensive schedule remaining after the Tiger goes to press, involving St. John’s Military Academy, and North Fond du Lac, beside their regular conference season.

A large turnout has ushered the baseball season in at R.H.S. and the ranks contain much baseball talent. The present starting lineup for the Riponites is: Lorand Schultz, catch; Jack Goszinske, first base; Clarence Lukoski, second base; Vic Schultz, short stop; Don Ryerson, third base; Harry Miller, left field; Blaine Briese or Clyde Lunch, centerfield; Roy Walker, right field. The pitchers for Ripon were Roy Born, Carl Gatzke, Wil-
