### Friends of the Library Board Meeting Announcement

The Friends board will meet on Monday, June 4 at 1:30 pm in the Jorgenson Room at the Ripon Public Library.

### Photography Display Fundraiser: "Guy With Camera"

Support the arts - and your public library - by checking out "Guy With Camera," a display of photographs by library staff member Benjamin Sprague. The collection samples recent collaborative and solo projects, as well as events organized by the Oshkosh Photography Group. A silent auction will run concurrent with the exhibit, and proceeds from all photo sales will benefit the Friends of the Library.

In addition to the framed photos on display, patrons may order prints of various sizes of these and other images all as part of the fundraiser and at special prices.

The display will run throughout May and June with bids being accepted until Saturday, June 30, when a "Final Bid Scramble" will take place from 11:00 am - Noon. Enjoy refreshments and chat with the library's "staff photographer" while keeping tabs on your lot. For more information, stop in, check out our website, or contact the library.

### Library Offers Play Group

Preschoolers and their caregivers are invited to an informal Play Group on Thursday mornings from 9:30-11:30 am in the Ripon Public Library Storytime Room. Registration is not required, although attendees are asked to sign in at the circulation desk upon arrival.

This is a time and space for caregivers and children to simply relax, play, read and interact with one another other, in a dedicated space where children can be children. In addition to free and constructive play, caregivers will have opportunities for caring, sharing, building adult and child friendships, and generally supporting each other through the ups and downs of caring for a child or children.

Puppets and books will be provided by the Ripon Public Library children's department. In the near future, toys from the Kiwanis-sponsored Toy Library will be available on site for check out, but for now attendees are invited to bring their own.

Play Group is not intended for parties, or food beyond the typical snacks and drinks necessary to keep little ones happy. Those in attendance will be responsible for clean-up and leaving the room in its original condition.

For more information, please contact the library.
